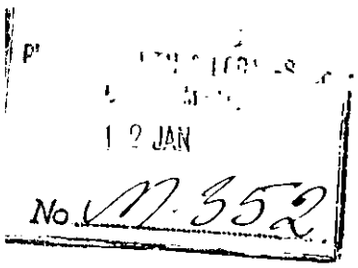
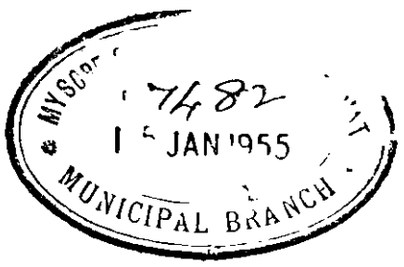
OFFICE OF THE
MINISTER FOR PUBLIC HEALTH AND
LOCAL SELF-GOVERNMENT.

BANGALORE,

Dated.....12th January.....*1955*.





Request of Sri.V.O.Iype, Principal, Model Institute of Commerce, Bangalore, for grant of a building site in Vasanthanagar, Bangalore for the Institute.

******

1) I have had occasion to know personally about the able manner in which the Model Institute of Commerce is being managed by Sri.Iype and of the useful service the Institute has been rendering to the public. Sri.Iype has been repeatedly urging for the grant of a site in a good locality for the Institute and his request for a site in the Hospital Road was not considered favourably by the Corporation. In view of the fact that it is a long-standing Commercial Educational Institution recognised by the Government of Mysore, his application for a site in Vasantanagar at a concessional rate for putting up a building for the Institute deserves to be considered sympathetically. The application may be sent to the Chairman, Trust Board with a request that the application may be considered sympathetically by the Trust Board.

5) Sri. V.O. Jyfe, Principal of Model Institute of Commerce has applied for grant of a site in the Vasanthanagar extension at a concession rate for putting up a building for the institute.

6) The C.J.T.B, Bangalore to whom the representation of Sri. Jyfe was sent for consideration, have resolved to allot site No 1 in Vasanthanagar (measuring 55'x90') at Rs 10/- per sq yd subject to the usual conditions. The minimum rate fixed for the sites of this category is reported to be Rs 12/- per sq yd and it is said that the average rate secured in auction held in Vasanthanagar is Rs 8-9-0 per sq yd. Vide page 8.

7) Sri. Jyfe represents that this site may be ordered to be allotted to him at Rs 4/- per sq yd for the following grounds,-
(a) the rate of Rs 10/- per sq yd fixed by the Board is no concession Vide page 4.

at all, as the average rate realised is Rs 8-9-0 per sq yd in the area.

(b) This Institute is an Educational institution recognised by the govt of Mysore which has been rendering valuable service to the student population of Bangalore

(c) The institute has not only contributed towards the spread of Vocational Education but also in solving un-employment problem

(d) A good number of students get education in this institute at concession rates of fees - some at half-fee and a few free - irrespective of the considerations of caste and creed.

(e) The Bangalore corporation have allotted a site to the Vani Institute of Commerce at a concession rate of Rs 10/- per sq yd, when sites in the area were costing Rs 15/- to Rs 20 per sq yd. (The collection leading to the issue of GO No WL 2366-7/C.M. 15-49-2 dt 30-8-49 is putup and flagged E).

Grant of Site to Sri Iype in Vasantinagar at Concessional rate.

11)

Sri.Iype, Principal, Model Institute of Commerce, has requested for the grant of the site at a concessional rate. He has been repeatedly urging for the grant of a site in a good locality for the Institute and his request for a site in the Hospital Road, Civil Station was not considered favourably by the Corporation. The Chairman's letter of March 21st, 1955 intimating the resolution of the Board that the site may be allotted to Sri.Iype at Rs.10/- per sq. yard has also mentioned that the average rate secured on 14th February 1955 in open auction of sales in Vasantha Nagar Extension was Rs.8-9-0 per square yard. Sri.Iype has requested for allotment of the site at a concessional rate with a view to put up a building for the Model Institute of Commerce cum quarters for himself. This Institution is a long standing Commercial Educational Institution and is recognised by the Government of Mysore. The Institute has been rendering valuable service in the field of vocational education in the State for over sixteen years. I have had opportunities to know personally about the able manner in which the Institution is being managed. The policy of the Government has been to render all possible assistance to Educational Institutions and specially encourage private enterprise in the spread of vocational education. I am told that a number of poor and deserving students are admitted into the Institute at concessional rates of fees and a few even without any fee whatsoever. The Bangalore City Corporation have allotted a site to the Vani Institute of Commerce near Mavalli Circle at a concessional rate of Rs.10/- per sq. yard where sites in that area were costing Rs.15/- to Rs.20/- per sq.yard. The request of Sri.Iype deserves sympathetic consideration

Bangalore,
11th January, 1955.

From

V. O. Iype,
Principal, Model Institute of Commerce,
100, Seppings Road, Bangalore-1

To

The Hon'ble Sri T. Channiah, B.Sc.,
Minister for Local Self-Govt. & Public Health,
Government of Mysore, Bangalore.

Sir,

Subject: Request for the grant of the Building Site at "Vasantnagar" (45' x 90') opposite to Mangal Chand Jain Maternity & Child Welfare Centre and adjacent to the lawn, for the Model Institute of Commerce.

I submit the following for your sympathetic consideration and favourable orders.

The above Institute, established in 1939 and recognized by the Government of Mysore, has been imparting commercial education such as shorthand, typewriting etc. to thousands of students of Bangalore, during the past 16 years. Hundreds of pupils who have undergone training here are employed in various Business Houses, Factories and Government Offices throughout the length and breadth of India. The Institute also has been generously giving either half-feeship or in many cases even free coaching to deserving candidates irrespective of considerations of caste or creed.

In spite of all the publicity of Government aid for Institutions doing useful service to the people, it is paradoxical that this Institute has not had, during the long sixteen years of its existence, a single favour conferred on it, either by Government or the Local Bodies.

It is a pity that the Institute has not been able to secure a permanent habitation of its own; all along it has been housed in rented buildings. The abovementioned site would be an ideal spot for housing the Institute. But as you are probably aware, the Institute is certainly not in a position to pay high cost for the site.

In this connection, it may perhaps be not out of place, if I may bring to your kind notice that my application, some months ago, for a site near Dr. Sampangi's Eye Hospital, in Civil Station, which you were pleased to recommend to the Corporation, has not had the desired benefit, as the Corporation did not deem it fit to dispose of that site.

In the circumstances, I once again request that the abovementioned site may be granted free of cost or if that is not considered possible, at least at a very low upset price, so that the long-felt need of the Institute may be realised ere long. This generous gesture will be in consonance with the policy of Government of assisting educational institutions doing useful service to the public. And I reiterate that this Institute has a glorious record of service for the past long sixteen years.

(P.T.O.)

I need hardly say that the staff and students of the Institute will be grateful to the authorities concerned for the assistance requested.

Yours respectfully,

(V.O.Iype),

Principal, Model Institute of Commerce.

The Chairman,
City Improvement Trust Board,
Bangalore

Sir,

Subject:- Grant of a Building Site in Vasanthanagar to the Model Institute of Commerce.

In forwarding herewith a copy of representation dated 11th January 1955 received from Sri V.C.Iype, Principal, Model Institute of Commerce, on the above subject, I am directed to state that the Model Institute of Commerce is being managed by Sri Iype efficiently and has been rendering useful service to the public. Sri Iype has been repeatedly urging for the grant of a site in a good locality for the Institute and his request for a site in the Hospital Road was not considered favourably by the Corporation, as it was considered by them not suitable for an Educational Institute etc. In view of the fact that it is a long-standing Commercial Educational Insitution recognised by the Government of Mysore, his request for a site measuring 45' x 90' opposite to the Mangalchand Jain Maternity & Child Welfare Centre and adjacent to the lawn in Vasanthanagar at a concession rate for putting up a building for the Insitute may be considered sympathetically by the Trust Board.

Yours faithfully,

Model Institute of Commerce.

100, Seppings Rd.,
Bangalore,
4th March, 1955.

7162.

To

Hon'ble Sri T. Channiah, B.Sc.,
Minister for Local Self-Govt. & Public Health,
Govt. of Mysore, Public Offices,
Bangalore.

Sir,

Ref: My application re: allotment of Site No.1 in Vasanthanagar, belonging to the Trust Board, for the Model Institute of Commerce, at concessional rate.

==

I understand that the above site has been recommended by the Trust Board for being allotted to me, but at a very high of Rs.10/- per sq. yard. The adjacent site, was knocked down in the auction at the rate of Rs.8-4-0 a sq.yd. Therefore, even assuming that no concession was thought of, according to ordinary measure of justice, the rate for the above site should have been fixed at the rate which the Board was able to realise for the adjacent site. But I had requested the site to be allotted at a concessional rate, if not fee. The Government also, I understand, were pleased to recommend this request of mine to the Trust Board for favourable consideration, i.e., to allot the site to me at a concessional rate consistent with the policy of the Government of Mysore of encouraging educational institutions.

The Model Institute of Commerce, Established in 1939, and recognised by the Government of Mysore, is engaged for over 16 years now in spreading vocational education, by training candidates in subjects like shorthand, typewriting etc., and preparing them for a career. It would be no exaggeration to say that the Institute has, to a considerable extent, contributed towards solving the unemployment problem, as hundreds of its alumini are today employed in various parts of the country and even abroad

(5)

That is a further indication of the efficiency and usefulness of the Institute. Extracts from the Inspection Reports of the Institute read:-

"The practice given is excellent"	29.9.49
"The practice given is quite good"	23.9.50
"The practice given is very good and good results have been produced."	21.10.52

Even the Mysore State Educational Reforms Committee has laid stress in their Report on the necessity of encouraging vocational education. If private enterprise should hold the field for long and assist in sharing the burden of Government in affording vocational and technical education to the student population of the State, the State too, I feel, is in duty bound to render to such enterprise all possible assistance. In extending primary, secondary and even college education, the policy of Government, as in the case of the establishment of Hospitals and other Public Health and Medical Institutions, has been one of uniform support by meeting the private enterprise half way. Is it too much to request for similar concessions in the case of Institutions which have come to occupy an effective component of the machinery of practical education in the State? Even so, I, as the Principal of the Model Institute of Commerce, have asked only for a site for housing the Institute and that too, not to be given freely, but at an upset price.

I shall, for your kind information, quote below what others have said about this Institute:-

Rajamantrapravina Diwan Bahadur K. Matthan, B.A:-

"The work and progress of this Institute have been exceedingly satisfactory. Although the Institute has been in existence less than two years, it has made very considerable progress. The fact that seven graduates have joined this Institute to take tuition here shows that the Institute is regarded with confidence and approval.

.....

That confidence is justified by the results of the public examinations for which the students appeared. This is most creditable indeed and I think both the staff and the students deserve our congratulations."

Mr. Ramachandra Rao Sindia, President, Mysore Chamber of Commerce:-

"Mr. Iype deserves to be congratulated on the excellent manner in which he is conducting the 'Model' Institution and the fine results he has produced during the year. Men trained in Institutes of this kind will be required in increasing numbers in the years to come to fill up the large gaps that exist in commercial offices. Parents and students should help to make this Institute better known in and around Bangalore.

Mr. T. Mariappa, Home Minister:-

"Intensive activities of educational institutions of the type of the Model Institute are welcome in the new set up of India where there is enough scope for young men and women equipped with a knowledge of commercial education which is so necessary in the ever-increasing industrial development of the country."

Mr. D.H. Chandrasekharaiya, B.A., LL.B., President, Mysore Legislative Council:-

"The very fact that hundreds of persons are getting trained in this Institute for purposes of examination and employment shows how helpful Mr. Iype has been towards students and fellow-citizens. The Institute has attained much success and popularity and this, I notice, has been praised by all the gentlemen who have presided over the annual celebrations of this Institute.....It may be borne in mind that Institutions meant for educational purposes cannot exist for profit. It would be a great deal if they are able to maintain their way. But if efficiency is tobe secured, public help of some sort or other would be inevitable. You may have noticed that the Government of Mysore is helping several commercial institutions with financial aid or other facilities. I wish Mr. Iype would be fortunate enough to get similar aid from the authorities who are in charge of this area. I congratulate the Principal of the Institute for having been able to run this Institute efficiently and well during the past few years."

The Institute has a strength of about 140, out of which good number of them get their education at concessional rates f fees, some at half fee and yet some others completely freely. Even in deciding the freeships or half-fee or other concessions, the consideration that weighs supreme with the

(7)

management is the economic condition of the candidate concerned. The management is not influenced by considerations of community, caste or creed.

There have been instances where both the Corporation and the Trust Board have in the past allotted sites at very low upset prices to Institutions, including commercial institutions. For instance, a Corporation site near Shivaji Talkies in the City area was sold to the Vani Institute of Commerce at an upset price of Rs.5/- per sq- yard when the general rate of sites prevailing at that time was somewhere about Rs.16/- per sq.yard. The rate must be still higher now. A Trust Board site has been given to the Rashtreeya Vidyalaya for constructing a Techers' College on a long lease in Jayanagar Extension.

This is Rs 10 - Vide GO No L 2366-7 dt 15-49-2 & 30-8-49 (Clg E)

In view of the valuable services the Institute has been rendering for over 16 years, I earnestly request that Government may be pleased to accord sanction to allot the site mentioned above to the Model Institute of Commerce, at an upset price of Rs.4/- per sq. yard.

Awaiting favourable orders, and thanking you,

I beg to remain,
Sir,
Yours faithfully,

4/3

(V.O. Iype),
Principal,
Model Institute of Commerce.

Encls.

21 MAR 1955

Date 19th March 1955.

To

The Secretary to Government,
Local Self Government and Education Departments,
Bangalore.

Sir,

Grant of site No.1 (55' x 90') in Vasanthanagar Extension to Sri V.O. Ipe, Principal, Model Institute of Commerce.

With reference to your letter No.L.12694 dated 18-1-1955 forwarding the representation dated 11-1-1955 received from Sri V.O. Ipe, requesting for the grant of a site in Vasantanagar Extension, for the location of his Commercial and Educational Institution, I write to state that Sri V.O.Ipe has ~~also~~ taken site No.59 measuring 40' x 80' in Block II of Jayanagar Extension and ~~thus~~ his present request for a site to locate his Institute was placed before the Board for consideration. The Board at its meeting held on 25-2-1955 took into consideration the minimum rate of Rs.12/- per Sq.Yd. fixed for this category of sites and ~~also~~ the average rate of Rs.8-9-0 per Sq.Yd secured in open auction held in Vasanthanagar on 14-2-55 and also of ~~this~~ his owning another site in the Trust Board layout. Since the site was intended to be allotted for locating an Institute of Commerce it was resolved:-

> "That site No.1 in Vasanthanagar Extension measuring 55' x 90' be allotted to Sri V.O. Ipe at the rate of Rs.10/- per Sq.Yd. subject to other usual conditions of allotment".

I request that approval of Government to the resolution of the Board may kindly be obtained and communicated.

Yours faithfully,

D.R. Chennarudraiya

(D.R.Chennarudraiya)
